

# The CNY Korean School

The CNY Korean School was founded in October 1995 with the support of the Korean Association of Syracuse and the Korean Church of Syracuse.

The mission of the school is to offer Korean children and adoptees the opportunity to learn the language, culture, and history of Korea. The School believes that it is important for individuals to maintain their Korean identity while contributing to the harmonious integration in multi-cultural American values. The CNY Korean School is open to the public.

The CNY Korean School sincerely thanks the First Baptist Church & River of Joy Baptist Church for sharing their campus and forming a great partnership with the school. The School works closely with the American Family Korean Network and *Cheon-Ji-In*.
